DELICIOUSLY ATTRACTIVE

Our unique packaging gives the customer a view of the item prior to purchasing. The specifically designed box with window keeps the products fresh and delicious.

EQUIPMENT

All products are fully-cooked-frozen-items that can be prepared in a High Speed oven. There is no additional permitting or hood requirement for the Grab n' Go program.

We are working with Fri-Jado holding warmers and the Midea High Speed Oven to make this program ready for any location.

Existing high speed (combi-ovens) and hot holding cabinets can be used with the program
